The Wauneta Breeze

The Pedal Tractor Pull was a popular event this year at the Chase County Fair. Over 125 kids between ages four and 12 participated in the event.

Before the pull began kids under three started things off with pedal races.

The top three boys and top three girls in each age category qualify for the Pedal Tractor Pull at the State Fair.

Mid-Nebraska Pedal Pullers provided the equipment and ran the event. Pivot Electric and Rowley Welding sponsored the event in part and their employees helped keep things going throughout.
