

The crowd at Friday night's Chase County Fair grandstand show featuring the band 38 Special were treated to a foot-stomping, arm-waving good time as one of the stops on the bands' "Wild-Eyed Nights" tour. Above, 38 Special gets the crowd moving as they heat up the stage with their special brand of Southern Rock. Donnie Van Zant, longtime leader of the band, said that he has been performing for more than 30 years and never tires of playing for his fans and watching the crowd come alive. He is the younger brother of the late Lynyrd Skynyrd founder and singer Ronnie Van Zant, and the older brother of present Lynyrd Skynyrd singer Johnny Van Zant. (Wauneta Breeze photos)
