

State Fair qualifying 4-H exhibits from the Southwest Four Extension Unit (Chase, Dundy, Hayes and Hitchcock Counties) are all grouped in one location this year in Lincoln. The SW4 is among only about a dozen counties or Extension units that have all of their exhibits, except forestry and welding, in the one booth location this year in the east side of the 4-H exhibit building. The exhibits were taken to Lincoln last week by Extension staff, and will remain on display through this weekend. The State Fair, in its final run in Lincoln, concludes Monday. It moves to Grand Island in 2010. (Courtesy photo)
