

The public is invited to celebrate surviving cancer during the “Moving Forward With Hope—ALL Cancer Walk” this Saturday. The walk will begin with registration at 9 a.m. at Chase County Schools. The 3K walkers may walk either in town along a designated route, or in the school gym.

Following the walk, those attending will hear speakers, participate in a raffle of donated items and be served lunch. Child care will be provided.

Organizers hope that 110 walkers will participate. Registration forms are available at the hospital and clinic. Pledges are encouraged but not necessary in order to participate.

Registration is \$10 before the event, or \$15 on Saturday for walkers over age 10.

All proceeds from the walk will remain in Chase County to benefit cancer patients and their families.
