The Imperial Republican

Over 300 people visited the Imperial EMS Haunted House this past weekend. EMS President Deb Hayes said some brave souls even attended Thursday night, during a snow storm.

The Haunted House raised over \$1,300 for two scholarships, to be given to two high school seniors entering the medical profession. Each scholarship is \$500.

The Haunted House was held in the Imperial city offices gymnasium Thursday through Saturday nights. It was sponsored by the EMS and Pat Hammel.
