

Those who are tired of the cold weather and are looking for fun and fellowship might consider spending some time with the Chase County Stompers. The square dancing group is hosting a free buffet meal tonight (Thursday) at 6 p.m. at the Chase County fairgrounds' 4-H Building. After the meal, people will be asked to try a little square dancing with the group. Organizers say square dancing is a great way to exercise both mind and body, all set to good music. The Chase County Stompers will be offering lessons during the coming months. For more information on the lessons or square dancing in general, contact Merlin and Kay Castle, 882-5816, or John and Joan Osler, 882-4519. (Courtesy photo)
