

Six street projects on 1-year plan

The Imperial city council recently adopted the 1- & 6-year road plan for the city. The projects on tap for this year are shown in the dark cross-hatching in the illustration above. This year's projects can also be cross-referenced by the plan numbers in the one-year legend. The projects include the overlay or rebuilding of East 5th Street from Leech to Highway 61, mill and overlay or rebuild East 9th Street from Chase to Longhorn, drainage improvements on 12th Street at Park and Chase Streets, opening 4th Street from Holland to Orsa, opening Orsa Street from 4th to 5th, and drainage improvements at 17th and Grant Streets.
