

The weekly feature this Sunday at the Chase County Museum will be teapots, presented by Vincent L. Marvin.

The collection began about 1990 and includes approximately 75 teapots. Other items included are Lady Ideal vases, Hull and Weller pottery, barber equipment, cupid pictures and kerosene lamps.

There are many teapots from the Averill Hudnall and the White families.

Plan to spend an enjoyable afternoon with this exhibit at the museum.

Museum hours Sunday are from 1 to 4 p.m.
