

Due to a lack of acts, the Lip Sync contest scheduled for Sunday night has been cancelled.

Sponsored by the Chase County Hospital Foundation and the Imperial Chamber of Commerce, the event was to have provided an evening of fun, family entertainment and awareness of what the sponsors provide to the area.

“We had seven acts going into this week but three of those cancelled and one other was a bit uncertain,” organizers Randy Vlasin and Jana Pribbeno said.

“With only having three or four acts, we decided we could not provide the type of show we had hoped so the decision to cancel was made.”

Vlasin is the Executive Director of the Foundation and Pribbeno is Chamber president.

Vlasin said “We would like to thank those businesses who were willing to put together acts for the event. Perhaps they will get to show off their talent if we reschedule.”

The Lip Sync Contest was to have been part of the Chase County Fair activities.
