

Seventy good units of blood were collected in Imperial at the Sept. 21 Red Cross Bloodmobile. Coordinator Liz Mollendor said the total came from 56 whole units and 14 double red cell units. While it was shy of the day's goal of 77, Mollendor was happy with the results, saying it was a great day and things "went smoothly."

Several potential donors were deferred, many for low iron counts, she said.

The next bloodmobile coming to Imperial will be on Nov. 28 at Chase County Schools. School Nurse Angie Paisley or senior Justin German can be contacted for appointments.

Here is the list of donors from the Sept. 21 bloodmobile.

Donors—Doug Gaswick, Dr. Dave Johnsen, Greg Hayes, Dan Mullanix, Lou Hegwood, Dr. Troy Worth, Michael Nelson, Brenda Thayer, Rev.
