Those persons wanting to get their socks scared off will have plenty of opportunity this Halloween. The Imperial EMS Haunted House will be open four evenings at the city gymnasium.

Money raised through the project funds EMS scholarships for high school students.

The cost to take a hair-raising trip through the house is \$5 for those age 13 to adult; \$4 for those ages 5-12 and \$2 for those four and under. Persons bringing a canned good, to be donated to the Chase County Food Pantry, will have one dollar deducted from their entry fee.

The Haunted House will be open from 7-11 p.m. Oct. 27, and from 7-10 p.m. Oct. 29-31.
