

Outdoor decorating in the city of Imperial is growing by the day, and all decorated homes will be judged in the annual Chamber of Commerce Christmas Lighting Contest.

Prizes will be awarded in three categories this year—religious, best tree and judges' choice.

First place in each category will receive \$50 in Chamber Bucks, with \$25 going to the second place winner.

A committee of Chamber members will judge the lights Sunday night, Dec. 16. All people need to do is have their lights on when it gets dark Sunday.
