

If you're taking down the Christmas tree but don't know what to do with it, the Izaak Walton League (IWEs) can help. Jerry Pajerski said the organization is collecting trees at his shop on Highway 61 between NAPA and T.O. Haas Tires. Anyone is welcome to drop off a tree. The live trees will be weighted down and laid on the ice at Enders Reservoir. When the ice melts, the trees will sink, providing a habitat for fish. (Republican photo)
