

Parents may now register their grade 1-6 students online for the upcoming SCORE (Science Camps Offer Rewarding Experiences) camps. The website at www.scorecamp.com has been updated, with more information added as available.

Parents may register more than one child at a time. The cost of the camp is \$100. When registering online, parents must pay the total camp fee with a credit card. If the child cannot attend camp, the full payment will be refunded.

Parents may also register via the SCORE brochure, which will be available in late February. SCORE staff will have computers at the Chase County Schools/Perkins County Schools basketball games this (Thursday) evening to assist parents with registration.

Dates for the camp are as follows: grades 1-2, June 10-12; grades 3-4, June 12-14, grades 5-6, June 11-13.
