

Tyler Pribbeno gives ice cream and a brochure to Sue Knobbe at Friday's home basketball game on behalf of the Imperial Community Foundation Fund (ICFF). Treats were shared by ICFF as a thank you to the community and to raise awareness. ICFF is sponsoring the Air and Space main event of this year's SCORE science camp. Marla Smith and Char Kline, far left, were also on hand to share information about this year's summer camps. Registrations can be made at www.scorecamp.com. (Republican photo)
