The Imperial Republican

Looking for a desk? Fiestaware? A lawn mower or western novels?

You may have luck at the Imperial Chamber of Commerce citywide garage sale Saturday.

There are 30 garage sales registered, which will be marked by red signs this Saturday. The sales begin at 7 a.m.

A map of the sales can be found on page B6 of this newspaper. Maps will also be available in a newspaper rack outside The Imperial Republican before the sales start Saturday morning.
