

Gelene Brady's house received a new coat of paint Sunday, thanks to the Imperial United Methodist Church Youth Group and The Gift. Seven youth and three adults painted the house with paint and supplies purchased through The Gift. The Gift is a program that began last December with Christmas gifts given to people in the community through a group of churches. Enough money was left over to begin a fund, administered through Adams Bank & Trust. The money, which may be enlarged through donations, is distributed by a committee composed of Mary Wilson, Rob Browning, Marcy Nesbitt, Kristi McNair and Angie Paisley. If someone in the community has a significant need, they may contact any of the committee members.
