

A Mother/Daughter Fertility and Chastity Appreciation Program will be presented for nine to 13-year-old girls on Sunday, Nov. 10, from 2 to 4:30 p.m. at St. Patrick Parish Hall in Imperial.

The program will be presented by the North Platte FertilityCare Center. The purpose of this educational program is to promote respect and appreciation for human sexuality as well as communication between parent and child.

There is no fee for this program, but donations are accepted. Refreshments will be served.

The Mother/Daughter Program is open to the public, but due to limited space, reservations are required. Contact Laurie Stadler at 308-534-3905 or email mlstadler@hotmail.com.
