

Does anyone know if this is a reunion picture, or one of a whole town's population? This picture was purchased by Jean Brandt at The Junkers. She believes that it had once belonged to a Chase County couple. "I'd like to get it back to someone in the family," she said recently. "It's a neat picture." Anyone with knowledge of the history of the picture may contact Brandt at (308) 882-5032. (Courtesy photo)
