***The Imperial Republican***

Due to the President's Day holiday on Monday, the regular Imperial city council meeting was moved two days later.

The meeting is now set for Wednesday, Feb. 19, starting at 6 p.m. in the council chambers. City Clerk/Administrator Jo Leyland listed the following agenda items as of Wednesday morning:

Members of the rural fire board plan to attend the meeting to discuss the 1991 agreement between the city fire district and rural fire district.

The council will discuss designating a specified downtown area for Bucket TIF (Tax Increment Financing) with the funds gained to be directed to the city's match for a downtown revitalization grant. Community Development Director Jason Tuller brought up the grant possibility at the council's Feb. 3 meeting.

Also on the agenda is a public hearing for Broken Arrow Cellars' request for two liquor licenses, a Class L Craft Brewery License and a Class YK Farm Winery and Catering License.

Administrator Melissa Larson will be back to visit with the council on health insurance for Manor and Parkview/Heights employees.
