

The gap between what has been raised and what needs to be raised for the new playground equipment in Imperial was considerably narrowed last week. Frenchman Valley Coop. donated \$1,000 to the fund-raising, which was matched by Land O'Lakes, for a total of \$2,000. A number of fund-raisers have been underway to provide the matching funds to a \$10,000 Peter Kiewit Foundation grant the city received toward the \$40,000 worth of equipment installed at Campbell Park and near the new swimming pool. Above, Leann Wiese, at left, presents the checks to park board members, from left, Carrie Terryberry, Elizabeth Haarberg and Willy O'Neil. A raffle is underway to support the fund-raising, with the grand prize being a 32-inch LCD television. Winners will be announced at the pool's grand opening on Sunday, May 24. Check at the city office for raffle tickets. (Republican photo)
