

Calling all amateur photographers: Join in the celebration and artistry of Nebraska by submitting a photograph to the "Images of Nebraska" photo contest sponsored by the Chase County Hospital Foundation and Chase County Community Hospital.

Deadline for submissions is July 31.

The contest, which is for amateur photographers, officially started June 8. Winning selections will be made in August.

In general, all photos must be taken in Nebraska and relate to one of the following subject areas: agriculture, wildlife, landmarks, architecture, landscapes or scenery.

There are four divisions in which photos can be submitted:

(1) Nebraska division—Photos from anywhere in Nebraska,  
(2) Chase County—Photos from Chase County only,  
(3) Vintage—photos that are 40 years old or older, and (4) Youth division—Photos taken by youth 12 and under.

Prizes will be awarded with \$50 going to each division winner not selected for overall reserve or grand champion, \$75 dollars to reserve and \$100 to grand champion.

In addition, the winning photos from each division will be displayed in the Chase County Community Hospital and Clinics during the coming year. Some photos may be used in a hospital calendar, as well.

Photos can be submitted in digital format or brought to the hospital if already printed.

A complete set of rules and submission procedures can be found by accessing the Chase County Community Hospital website at [www.chasecountyhospital.com](http://www.chasecountyhospital.com) and clicking on the photo contest link on the first page.

For more information, access the Chase County Community Hospital website or contact Randy Vlasin at 882-7379 or email [rvccch@gpcom.net](mailto:rvccch@gpcom.net).
