

Spring turkey hunting permits for 2013 will be available from the Nebraska Game and Parks Commission starting at 1 p.m. CT on Jan. 14.

Each spring turkey permit allows a hunter to take one male or bearded female turkey with bow and arrow in the archery season or a shotgun in the shotgun season. A person may purchase up to three spring turkey permits.

Archery season for youth and adults opens March 25. Shotgun season opens April 6 for youth and April 13 for adults. All seasons close May 31.
