

The Mid-Plains Education Association (MPEA) will host a scholarship soup supper on Friday and Saturday at North Platte Community College.

The supper will be held during the last two days of the South Platte Valley Association (SPVA) Basketball Tournament on the south campus of the college. Soup, chili and baked goods will be served from 5 p.m. through halftime of the last game on Friday, Jan. 18, and from 11:30 a.m. through halftime of the last game on Saturday.

“The MPEA has presented scholarships to students for many years. Our desire is to raise more money for our scholarship fund and also to increase the amount of money for each scholarship,” said Dr. Aaron McLeon, MPEA representative.
