

It's getting close to summer baseball and softball seasons, and league meetings are coming approaching, as well.

Because of that, Imperial summer recreation director Darrin Schultz is encouraging parents to submit their children's registration forms for baseball and softball as soon as possible.

It's important that team numbers are finalized soon, so Schultz can determine how many teams will be feasible for the various age levels.

Deadline for all teams is April 30. Forms may be taken later, but the registration fee will be doubled. The fee depends on whether the team travels or not.

Forms are available at the city office and school, and should be returned to the city.

There is still a need for coaches for some of the teams, Schultz said. Those interested can contact him at 308-882-8622.
