

On a perfect June day, Imperial's T-ball program started Monday with the boys' group. Two stations of activity centered on batting, throwing and catching. At left, Andrew Wiest takes a swing and connects as Vanessa Terryberry pitches the ball. Below right, Brextin Moreno has excellent form as he plays catch with Tristan Jablonski, below left. Also working on his batting skills with Audra Schilke, at bottom, is Hudson Koellner. The boys meet Mondays and Wednesdays, while the girls take to the field Tuesdays and Thursdays, all starting at 5 p.m., through the end of June at Schroeder Park. (Republican photos)
