

This Saturday, June 22, will be the biggest sprint car show Holyoke, Colo. has ever seen.

Three tours will invade the Phillips County Raceway high banks including the BST/Colorado tour, the URSS Kansas tour and the HSS Nebraska tour—all in one show to see who is who and to declare one champion.

Gates open at 5 p.m. with hot laps at 6 p.m. Races start at 7 p.m. sharp.

Also running will be the four IMCA divisions of mods, stocks, sport mods and hobbies.

Coming up on the PCR schedule are the races on Thursday, July 4, with NASCAR star Kenny Schrader there for a photo session and signing autographs at intermission.
