

Chase County's Bethany Sorensen, left, was on the winning West Team in last Saturday night's Sertoma All-Star Volleyball Match in McCook. In the contest, the West dominated by winning four of the five games, even after dropping the first one. The East took a lopsided 25-12 win in the opener, then the West came back to take the next four by close scores, 25-23, 25-20, 25-20 and 15-12. Sorensen, a 2013 graduate of CCS, played both setter and opposite hitter positions. She was in for all of the second game, subbed in and out of the third, and was credited with 21 set assists, seven digs and a block. Named West Team MVP was Sam Kennedy of Sutherland, while Rachel Mahlberg of Elwood earned MVP honors for the East. (Wauneta Breeze photos)
