The Imperial Republican

Imperial runners showed up in strength at the annual July 4 Firecracker 5K run and mile in Grant.

Holden Dreiling, a CCS junior distance runner, won the 5K with a time of 18:32.

Seven seconds behind him was Jonathan Beverly, also of Imperial, who works as editor-in-chief of Running Times magazine and helps coach both cross country and track athletes at Chase County Schools.

Three other members of the 2012 cross country team placed in the top 15 in the 5K.

Full results from the mile run/walk were not available, but Imperial's Will Kuenne, a CCS eighth grader, was the overall winner. Josie Peterson of Imperial, a CCS freshman, finished second in the girls' division of the mile.

Following are the Firecracker Run results for the 5K. Participants could run or walk the mile or 5K race.
