

The Big Green Machine came out as the victors of this year's coed softball tournament completed last Wednesday night in Imperial. In the first game of the night in the winner's bracket, Prestige defeated the Big Green Machine, sending them to the consolation bracket. There, they beat Sweetness to advance back to the championship games. With one loss, the Big Green Machine had to beat Prestige twice to win the tournament. That's exactly what they did, winning the first game handily and then taking them again in extra innings in the championship finale. Team members of the Big Green Machine included, front from left, Laura Villareal, Kelsey Koerperich, Angie Williams, Jennifer Stafford, Megan Wisnieski, Katie Flaig, back from left, Tyler Heinen, Spencer Rowley, Sam Sutton, Brian Strand, Derek Stafford, Todd Schrotberger and Ryan Wisnieski.
