The Imperial Republican

Cold and wind greeted Longhorn athletes when they arrived at the Hershey Invitational Saturday morning.

Conditions improved for short periods, but the temperatures never got out of the 40s, making it another tough day for track athletes, but typical for this season.

The Chase County girls finished third overall while the boys' team placed fifth.

Girls' division

Girls' Head Coach Al Zuege said some of his athletes showed improvement on Saturday but the weather hampered many of the performances.

Chase County's 400 meter relay and the 400 meter powderpuff relay both captured firsts on the girls' side.

Scoring in the girls' division was Perkins County 129, Sutherland 86, Chase County 84, St. Pat's 78, Hershey 77, Mullen 72, Garden County 28 and Chase County JV 2.

Here are the placings for the Lady Longhorns, and all first place times and marks at Hershey.
