

A long-standing tradition at the Imperial Invitational Track Meet continued for another year with a special presentation to the winners of the 800 meter run. This year's winners of the Bill McNair 800 Meter Memorial Medals were Chelsey Commins of Ogallala, left, who won the girls' race with a time of 2:34.50, and Landon Holmes of Sutherland, who won the boys' division with a time of 2:05.20. Congratulating the athletes and presenting the medals at the April 21 meet was Sam McNair, whose grandfather, Bill, was an avid Longhorn track fan whose favorite race was the 800. (Republican photo)
