A sixth place finish for the Longhorn boys' track team represented the toughness of Saturday's Ogallala Invitational.

Chase County placed in 10 events, with the highest finishes of the day, a pair of seconds, turned in by Shay Eidson in the long jump and Justus Wallin in the discus.

Coach Carl Zuege said he was happy with the performances, noting they were missing some key athletes who were at other school events last weekend.

He said they competed minus six to seven athletes.

But, despite that, his team had a good day, Zuege said, many of them collecting personal bests in a near perfect day of weather.

Travis Luhrs had another good day in the high jump, with a third place and a personal best of 6'0". That was two inches better than his jump at Cambridge the week before.

One nice surprise, Zuege said, was from freshman Cody Williams, who placed fourth in the triple jump with a jump of 39'4.5".

"That's an awfully good jump for a freshman," Zuege said. He's anxious to see how Williams develops in that event.

Another third was turned in by the Longhorn 1600 meter relay team. The team of Dan Sullivan, David Almanza, Shay Eidson and Trey Milner shaved 5.5 seconds off the time of that relay the week before.

The team's other relays also medaled, as the 3200 meter team finished fourth and the 400 meter team was fifth.

Also placing individually were Milner, fifth, in the 300 meter hurdles; Holden Dreiling, fifth in the 1600; and Wallin, sixth, in the shot.

Team scoring in the boys' division at Ogallala was Sidney 103.5, Mitchell 82, Cozad 79.5, Ogallala 69, Gothenburg 65, **Chase County 43**, Ainsworth 39, Chadron 22, Perkins County 20 and Valentine 4.
