

Imperial's co-ed softball league is organizing for the summer season. Games are set to begin on Monday, June 1.

Denise Smith of Imperial will be coordinating the league this summer. Men and women of all ages can participate, but they must be at least a 2009 high school graduate.

Teams that want to play in this summer's league must contact Smith so schedules can be developed. She can be contacted at 308-882-2186 or by email at ddk@chase3000.com with a team contact name and phone number.
