The Imperial Republican

A total of 25 swimmers from Imperial earned medals at the July 18 championship meet held in Lexington.

The meet was the finale for the 2009 swim season. An estimated 700 swimmers competed in the meet.

In order to medal, Coach Michelle Wilson said swimmers had to finish in the top eight in individual events and in the four top relay teams.

Four individuals and four relay teams captured first place medals in the meet.

Imperial's 10 & Under and 14 & Under boys both won their medley relay. The 14 & Under boys won their 100 freestyle relay as well.

The 10 & Under girls won their 100 freestyle relay.

Makenna Wallin captured a pair of first place finishes, winning the 11 & 12 girls butterfly and the 12 & Under girls 100 individual medley.

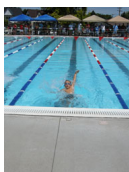

Taylin McNair won the 9 & 10 girls 25-yard butterfly with Justin German taking the other first, winning the 13 & 14 boys 100-yard freestyle.

High point recognition

Three of Imperial's medalists also earned "high point" recognition with special medals for tallying the most points in their individual races.

German was second "high point" winner in the boys' age 13 & 14 group.

Taylin McNair was second in girls' age 9 & 10 and Makenna Wallin, third, in girls' age 11 & 12.

Local results from the meet are as follows:
