

The start of the co-ed softball tournament means the end of the summer ball season is just around the corner. The tournament kicked off Monday night and will continue tonight (Thursday) and conclude Friday. Games are being played both in Wauneta and Imperial. In one of the opening games Monday night, Mathew Lee of the Manipulators awaits Bethany Wright with the tag on third base. Wright didn't get there in time and was called out. Results of Monday's game appear on the bracket below. (Republican photo)
