This weekend's district Nebraska Baseball Association wood bat tournament in Imperial will include a couple of special deals, mostly aimed at the youngsters.

All youths wearing their Imperial Crush baseball T-shirts given out during this summer's Crush-sponsored baseball camp will receive food specials at all of Crush's games Saturday and Sunday.

Jill Moline, who heads up the concession stands at the ball parks, said all those wearing their T-shirts will receive a free popcorn and a discounted 50-cent Orange Crush bottle of pop during Crush's games.

Additional Crush T-shirts will be for sale during the games for anyone wanting to purchase one and take advantage of the tournament specials.

Also, thanks to the sponsorship of Imperial Country Ford, all those who return foul balls during the games will receive a quarter.

Members of the Imperial Baseball/Softball Association encourage all fans from the community to come out and support their hometown Imperial team at the games this weekend.
