Just in time for the holiday shopping season, the first-ever farm toy show sponsored by the Chase County Fair will be held at the 4-H exhibit hall in Imperial Saturday, Dec. 5.

The event will run from 9 a.m. to 4 p.m. with a \$2 admission charge for those attending.

Fair board organizer Chad Oxford said he's excited about the show.

He said there will be at least seven toy vendors offering their selection of toys, which will focus on farm tractors, cars, trucks, NASCAR and drag racing.

In addition to children's farm toys, he anticipates there will also be a selection of collectibles.

Local implement dealers, Curly Olney's and 21st Century Equipment, will be among the vendors, offering a wide selection of their "red" and "green" toys.

Oxford said the admission fee will automatically enter entrants in a drawing for a collector tractor and other drawings.
