

*DSK Irrigation the new name for the dealership*

**By Russ Pankonin**

***The Imperial Republican***

There's a new name on the Reinke irrigation dealership in Imperial but a familiar face behind it. Dan Kunnemann and his wife, Sue, have acquired the Reinke Manufacturing dealership for the Imperial area. The dealership will operate as DSK Irrigation.

Kunnemann has represented Reinke for nearly 10 years as the manager of the Reinke irrigation division for Midwest Farm Equipment and then 21st Century Equipment.

Just recently, 21st Century Equipment resigned their Reinke dealership in Imperial after purchasing a Valley dealership in Gering.

That created the opportunity for Kunnemann to become the new dealer in this area.
