The Imperial Republican

Last year's Imperial FFA Marketing Plan team got together again last week to place in the silver category at the National FFA Convention in Indianapolis.

That team consisted of 2012 graduate Michaela Ketter and seniors Spencer Hartman and Callin Ledall.

In addition, 2011 Chase County Schools (CCS) graduate Charlie Haarberg received his American Degree. His Supervised Agricultural Education (SAE) project in high school was Diversified Crop Production.

Other CCS students attending the convention, which included workshops, entertainment and meeting with vendors and businesses, were Regan Gittlein, Mason Meeske, Caleb Bubak, Jared Sharp, Joe Tomky, Destyn Milner, Hunter Dillan, Taylor Wilson, Cassie Burpo and Claire Kuenne.

Sponsors were Carma Hartman and Brenda Ledall. FFA Chapter advisors are Jason Speck and Jeremy Vlasin, who also attended the convention.
