

For the second consecutive year, Pinnacle Bank of Imperial offered an incentive to the Longhorn boys' and girls' basketball teams with a three-point challenge. For each three-pointer made by the teams, the bank would contribute \$3 to the Longhorn Booster Club. For the 2008-09 season, the Lady Longhorns sunk 69 treys, while the boys' team hit 45, for a total of 114. While that totals \$342 at \$3 a shot, the bank kicked in a little extra and made a full \$400 donation last week. Presenting the check to Booster Club Co-Presidents Greg and Angie Dickey, at right, is personal banker Michelle Spady, at left. (Republican photo)
