

Imperial Country Ford and Ford Motor Company have teamed up to bring “Drive 4 Ur School” to Imperial April 25.

The program will raise money for Chase County Schools (CCS).

Anyone age 18 and over with a valid driver’s license may test drive any new or certified pre-owned vehicle on the Country Ford lot, according to Derek Russell.

In addition, Country Ford will provide several cars at CCS for the same purpose.

Those making test drives will be served cinnamon rolls and coffee.

This is the first time Country Ford has participated in the program, which Ford Motor Company has supported for several years, Russell said.

“We wanted to get on board and raise money for the school,” he said.

Ford Motor Company will donate \$20 per test drive, up to \$6,000 to the school, which equals 300 test drives.

Drive 4 Ur School will run all day April 25.
