

On Aug. 3, the Imperial FFA will be conducting its annual Lou Haw and second annual SAE (Supervised Agricultural Experiences) Tour.

At about 1 p.m., the SAE Tour will begin at the school and will feature the SAE's of different FFA members. Members and their parents are encouraged to attend to help decide if a certain SAE would be attainable in their situation.

If you would like us to visit your business, or if any student wants their SAE shown, contact either Advisor Jeremey Vlasin (308-882-1511) or Jason Speck (308-882-6943) before July 19.

The annual Lou Haw is a recruitment activity for all incoming freshmen or anyone interested in learning about/joining the FFA.

At the Lou Haw, students will be fed by the current senior officer team, learn about what FFA has to offer and finish the night with games and fun.

The Lou Haw will begin promptly after the SAE Tour returns to the school at the end of the tour.

Those who will not be on the tour but will attend the Lou Haw, be at the Imperial pool at roughly 6 p.m.
