

Start of the Chase County Fair is just days away, and that means a busy schedule for The Imperial Republican staff.

Due to the increased activities, the Aug. 15 issue of the newspaper will print a full day early. Next week's issue will be printed on Tuesday with distribution to Imperial mailboxes later that afternoon. Rural routes will receive their Aug. 15 newspaper Wednesday morning.

Due to the early schedule, all advertising and news copy should be submitted no later than Monday, Aug. 12, at 12 noon. Any early submission of copy is appreciated by the news and advertising staff but should be received by Monday noon. Regular advertising contacts will be made Friday and Monday.
