

Farm Credit Services of America in Imperial recently donated \$325 to Special Olympics Imperial. The donation came as part of Team Fusion's "Be a Force for Change 2013," Farm Credit Services' wellness challenge.

The challenge was based on points earned for every 30 minutes of workout, bonus points for working out with friends, and monthly points for additional activities.

According to "Magnificent Seven" team member Johna Jablonski, the secret to their success was to set a goal and work together as a team. "Our team started a wellness journey in January," she said, adding that the Farm Credit Services employees have a daily walk at lunch. "It's much easier to work out with others," she said.

New Special Olympics team

Practice begins Dec. 12 for a Special Olympics basketball team. Matt and Tanna Hanna will be the coaches.

Practice will continue until the West Region basketball tournament in Mitchell March 15. However, no practice will be held over the holidays.

Those interested in helping may contact Stepanie Rau at (308) 882-4604.
