

After more than a month of ownership, Kris Musick will celebrate with a Grand Opening Friday at Capitol Liquor.

Grand Opening events will run from 12 noon to 8 p.m. Friday. People stopping in can sign up for drawings for prizes that include a hot and cold cooler, t-shirts, hats and more.

Free gifts will also be available and a meat and cheese tray will be out, she said.

Musick took over ownership Oct. 31, after purchasing Capitol Liquor from Butch and Kathy Loring. She said it's been going well and has been lots of fun getting to know people and running her business.
