

The three kindergarten classes at Chase County Schools each made a trip to former teacher Connie Pribbeno's house in Imperial this week to learn about manners. Above, Pribbeno helps Kadin Schilke seat Markenna Terryberry. Pribbeno focused on table manners while serving Valentine goodies. However, the children were also reminded of "please," "thank you" and other forms of etiquette. Former Imperial Grade School vocal music teacher Dr. J. Gordon Christensen initiated the manners program a number of years ago. (Republican photo)
