

People walking the hallway by the second grade classrooms at Chase County Schools can't miss a display done by the three classes honoring veterans. With Veteran's Day arriving next week, the display includes a series of stars on which the second graders wrote the name of a veteran in their family, if they have one, the branch in which he or she served and the years of service. All students then wrote a thank-you note to the person in their family or to veterans in general. A letter from Brock Leibhart appears below. The FBLA chapter at Chase County Schools will be hosting its annual Veteran's Day program on Monday, Nov. 12, at which a salute will be given to the men and women who have served this country.
