

Members of the Future Business Leaders of America (FBLA) at Chase County Schools are creating a Longhorn discount card as a fundraiser.

FBLA Sponsor Sandy O'Neil said they have contacted several businesses already but didn't want to miss anyone who would like to take part.

Seventeen businesses have already committed to the discount card which will be similar to those provided locally in the past, she said.

Deadline to be included is this Friday. Contact O'Neil at the school, 882-4304, or by email at: soneil@esu15.org

Cards will sell for \$20 each, and sales will start the first of the year. The discount card specials will be valid for one year.
