The Chase County Schools Junior High Quiz Bowl team placed first at the yearly ESU #15 quiz bowl in Imperial last Thursday.

CCS earned 325 points, followed by the other participating schools:

Southwest, 265; Medicine Valley, 205; Dundy County Stratton, 205; Hayes Center, 130; Hitchcock County, 120; Maywood, 120.

Coach Virginia Harford said she was proud of those who tried the event. "I think more students should participate. We were allowed 10 students per team. Chase County had eight."
